

HAI-FES International Workshop

“Building Bridges between Arctic and Non-Arctic”

This workshop aims to form a network of researchers who are engaged in problem-solving, interdisciplinary and transdisciplinary research in the Arctic region, and raises practical issues in the research.

Date&Time: Monday, March 13, 10:30-17:00

Format: Hybrid of face-to-face and online

Venue: Main Conference Room, 5F, Creative Research Institution Building, Hokkaido University

Zoom Link: will be sent to whom registered.

Language: English (no interpretation)

Participation: Open to all (advance registration required)

Capacity: 50 at the venue, 300 online (first-come, first-served)

Program (Draft)

10:30~11:10 Opening Session

Welcome Greeting: Director of the ARC

Keynote Speech: Tetsuzo Yasunari (RIHN)
“Future Earth” Perspective (TBC)

11:10~12:40 Session 1: Networking

Hajo Eicken (International Arctic Research Center, UAF) Making actionable science work with a network

Yutaka Watanuki (G.S. Fisheries Sci., Hokkaido Univ.) Migrating water bird study in temperate and Arctic region

Aileen A. Espiritu (UiT The Arctic University of Norway) The Arctic in Asia: enhancing transnational interests and commonalities.

Stein Sandven (NERSC) Developing collaboration between scientists and local communities in the Arctic

12:40~13:40 Lunch Break

13:40~15:10 Session 2: Problem-Solving Research in Practice

Teppe J. Yasunari (ARC, Hokkaido Univ.) Tackling measurements and assessments of the air quality affected by transboundary air pollution transport to Hokkaido.

Mayuko Otsuki (G.S. Fisheries Sci., Hokkaido Univ.) Title:TBA

Kazuyuki Saito (JAMSTEC) Food Life History and Natural Cold Storage in the North

15:10~15:20 Break

15:20~16:50 Session 3: Ethical Conduct of Arctic Research - Panel Discussion

Moderated by Fujio Ohnishi (ARC, Hokkaido Univ.)

Aileen A. Espiritu (UiT The Arctic University of Norway)

Hajo Eicken (IARC, UAF)

Kaori Ishii (Tohoku Univ.)

For Registration ⇒ <https://forms.gle/eb74YZ36GMdf8KMQ8>

Deadline: Thursday, March 9, 2023

Organizer : HAI-FES (Hokkaido Univ. Arctic Initiative for FE and SDGs)

Co-organizer : Arctic Research Center, Hokkaido University

Supporter: Research Institute for Humanity and Nature (TBC)

Contact: HAI-FES_v2(at)arc.hokudai.ac.jp
