

HAI-FES International Workshop

“Building Bridges between Arctic and Non-Arctic”

This workshop aims to form a network of researchers who are engaged in problem-solving, interdisciplinary and transdisciplinary research in the Arctic region, and raises practical issues in the research.

Date&Time: Monday, March 13, 10:30-17:00

Format: Hybrid of face-to-face and online

Venue: Main Conference Room, 5F, Creative Research Institution Building, Hokkaido University

Zoom Link: will be sent to whom registered.

Language: English (no interpretation)

Participation: Open to all (advance registration required)

For Registration ⇒ <https://forms.gle/eb74YZ36GMdf8KMQ8>

Deadline: Thursday, March 9, 2023

Program

10:30~11:10 Opening Session

Keynote Speech:

Tetsuzo Yasunari (RIHN)

“Future Earth” Perspective (TBC)

11:10~12:40 Session 1: Networking

Chair: Takafumi Hirata (ARC, Hokkaido Univ.)

Hajo Eicken (International Arctic Research Center, UAF)

“Making actionable science work with a network”

Yutaka Watanuki (G.S. Fisheries Sci., Hokkaido Univ.)

“Migrating water bird study in temperate and Arctic region”

Aileen A. Espiritu (UiT The Arctic University of Norway)

“The Arctic in Asia: enhancing transnational interests and commonalities”

Stein Sandven (NERSC)

“Developing collaboration between scientists and local communities in the Arctic”

13:40~15:10 Session 2: Problem-Solving Research in Practice

Chair: Shotaro Uto (ARC, Hokkaido Univ.)

Teppe J. Yasunari (ARC, Hokkaido Univ.)
“Tackling measurements and assessments of the air quality affected by transboundary air pollution transport to Hokkaido”

Mayuko Otsuki (G.S. Fisheries Sci., Hokkaido Univ.)

“Studying the coastal marine ecosystem with the local community in Greenland”

Kazuyuki Saito (JAMSTEC)

“Food Life History and Natural Cold Storage in the North”

15:20~16:50 Session 3: Ethical Conduct of Arctic Research - Panel Discussion

Moderator: Fujio Ohnishi (ARC, Hokkaido Univ.)

Panelist:

Aileen A. Espiritu (UiT The Arctic University of Norway)

Hajo Eicken (IARC, UAF)

Kaori Ishii (Tohoku Univ.)

Organizer : HAI-FES (Hokkaido Univ. Arctic Initiative for FE and SDGs)

Co-organizer : Arctic Research Center, Hokkaido University; Hokkaido University Future Earth Consortium

Supporter: Research Institute for Humanity and Nature
