

WG39: Working Group of the Integrated ecosystem assessment for the Central Arctic ocean “WGICA”

How: Hybrid meeting (In person and On-line)

When: 20-23 October 2023 (09AM-06PM USA West Time).

Where: Seattle, USA, Westin Seattle Hotel (Same venue of PICES 2023)

Objectives:

This meeting will report on the progress of our products on Human activities and its pressures in the Central Arctic Ocean, and the vulnerability of the ecosystem. The meeting will also present relevant topics for this study area through a series of talks. Discussion on how to engage stakeholders and right holders in our activities will be initiated to obtain advice on the present knowledge of the CAO ecosystem and activities in the study area.

Agenda (all times are local Seattle)

Friday 20 October 2023

AM 6:30-8:30 participate from private hotel rooms: On-line access point (Teams invitation has been sent):
